

Tax Investigation Service

Quick guide to renewing your subscription or joining our scheme this year

Are you renewing or joining the scheme as a private client, sole trader, standalone limited company or partnership?

If you fall into the 4 categories above, you can renew your subscription or join our scheme via our website. You can scan this QR code to take you direct to the relevant page, or visit www.rpgcrouchchapman.co.uk/services/tax-investigations/tax-investigation-service/

Please refer to the communication you have received from us for further information.

If you are renewing your subscription, the biggest change you will note this year is that you are paying Croner-i directly for this service and not RPG Crouch Chapman. You will not receive an invoice from us.

Are you renewing or joining the scheme as group or a company with a turnover in excess of £10m?

If you fall into the 2 categories above, we will need to renew your subscription or subscribe you manually.

Please refer to the communication you have received from us for further information or contact kmerryman@rpgcc.co.uk who will be happy to help.

Further information about our scheme can be found at www.rpgcrouchchapman.co.uk/services/tax-investigations/tax-investigation-service/ or via the QR code above.
