Services overview

At RPGCC we have comprehensive knowledge of both global and local businesses. We can offer services that are bespoke to you regardless of your sector, location or size.

As a business we are regulated by the Institute of Chartered Accountants in England and Wales and our Financial Services business is separately authorised and regulated by the FCA.

We work with all major accounting software providers including Xero and Quickbooks.

In order to help us assist our clients internationally we are UK members of AGN International and several members of our team are members of IR Global.

We ranked in the Accountancy Age Top UK 50+50 Accountancy firms, as well as listed by Corporate Adviser in the top 15 UK auditors for UK listed companies. We were proud winners of the Business UK Awards for Auditors of the Year and Tax Team of the Year and we won Silver at the 2025 Accounting Excellence Awards in the category of Audit Firm of the Year.

Our Services

Auditing

Our audit team consists of qualified and experienced partners who are supported by a driven, well informed team with differing levels of experience and qualification.

The RPGCC audit team take the time to get to know and understand your business and we will work with you to establish the key audit risks.

Our audit clients consist of Listed companies (including AIM and PIE), large corporate entities, SMEs, owner-managed businesses, charities, not-for-profits and financial service businesses.

Whatever your structure, we will review your financial management and tax structures as part of the audit process and report our findings to the management team.

Our robust and transparent audit procedures provide businesses with independent assurance on risk management, internal controls and governance.

Tax Planning

Our tax team can advise on all areas of personal and business tax, including compliance and planning.

Our tax services help businesses with structuring and re-structuring which help to mitigate potential tax liabilities. This would include Income Tax, Self-assessment, Corporation Tax, Capital Gains Tax, Stamp Duty Land Tax, VAT, and Research & Development Tax Relief (and any other tax reliefs that might be available to you or your business).

Our private client, corporate tax and specialist VAT and R&D tax departments will combine their knowledge, experience and expertise to offer you the most accurate advice and best possible outcome.

Corporate Finance

Our Corporate Finance team will guide you through the whole process whether you are on the sell or buy side of a merger, acquisition or buy-in/buy-out.

We will explore your options with you and ensure that you find the best solution for you and your business.

Using our lead advisory services will ensure that you spend your energy and time continuing to run your business, whilst we find suitable buyers and, ensure the best possible purchase or sale price.

We will also offer advice on structuring, business valuation and due diligence, as well as consulting on fundraising for new and existing ventures.

Payroll

At RPGCC we are able to provide you with a full outsourced payroll service.

We know how stressful running a company payroll can be. The goal posts are ever moving and the regulations are changing.

At RPGCC we prepare payrolls of various sizes from 1 employee through to 1,000's of employees.

Our service is scalable so, regardless of the size of your business we can help.

By outsourcing your payroll to us it will reduce your workload and save you time and money.

We will deal with all aspects of your payroll including auto-enrolment, employee benefit schemes, P11D, P60, P45, Statutory Maternity Pay, Statutory Sick Pay, Statutory Paternity Pay, etc.

Accounts and Business Services

Our business services team know how important accurate and timely financial information is to your business. This information helps you to make informed business decisions.

Our Business Services department provide you with regular management accounts, budgets, cashflows and highlight to you any KPI requested by you.

They will also prepare statutory accounts and assist with your filing and reporting obligations.

VAT, imports and export duties

Our specialist VAT team work with our clients to maximise their VAT position and help minimise their exposure to VAT errors or penalties.

The RPGCC VAT team can also help with advising on import and export duties, specialising in businesses with international and cross-border activities, all of which require specialist international VAT advice.

Financial Services

Our Financial Services and Wealth Management begins with your needs and goals.

Our first question will always be, what is it that you want to achieve? Then, how might your goals change in the short, medium and long term?

We will then sit with you and consider all your options, apply all available resources and research to help you plan for the future with your financial goals and security in mind.

Regular meetings with our Financial Advisers will help to ensure that your wealth management plan is up to date and always ready for the opportunities and challenges that the future might bring.

Such discussions often go hand in hand with the preparation of your accounts and tax returns, thus maximising the tax reliefs and savings available to you.
